Nomination for election as community representative on CCMAC  
AGM 2017

**Personal Statement Helen O'Malley**

I wish to nominate myself for the new 2017 CCMAC. I have a long commitment to the  
development of a strong partnership with Lambeth for the effective management of  
Clapham Common and an enhanced 'fit-for-purpose' relationship with Lambeth Borough  
and its Parks, (Commons) and Open Spaces Department, within the framework of the  
existing legal framework for Open Spaces.  
We already have successes to celebrate.

As well as experience, I will bring a commitment to extending the potential of the  
Common for enhancing the experience of the Youth as well as adults. This open space  
offers much opportunity for so much: learning, understanding, social interaction, for  
informal physical activities, CCMAC can extend its support to all such development.
